... available on a sliding scale to child and adult residents of **Clay, Platte** and **Ray** Counties lacking insurance or coverage for in-home mental health therapy, have high deductible plans that keep services out of reach, or are unable to qualify for other services.

In-Home Therapy may include Individual Child or Adult Therapy, Family Therapy and Couples Therapy. Therapy may also be available for parents struggling with the challenges of parenting a child with physical, developmental or mental disabilities.

Specialties include:

- › Adjustment disorders
- › ADHD
- › Oppositional Defiance
- › Mood Swings
- › Post-partum depression
- › Anxiety
- › Depression
- › Low self-esteem
- › Stress management
- › Family Conflict
- › Anger Management

In-Home Therapy is available at varying levels based on the client's needs.

Therapists or designated On-Call Clinicians are available to clients 24/7 for crisis situations.

Therapists are Masters level Clinicians, experienced in working with children, families and adults.
