Tender Beginnings empowers first-time parents with resources during their child's most rapid, significant developmental phase of life, age pre-natal to five years.

New parents are referred to Tender Beginnings by local hospitals, Health departments and other community agencies. Services are available without charge to parents.

Tender Beginnings invests in the health, early education and nurturing of children, promoting child abuse prevention and neglect, resulting in loving homes and ***Healthy Families.***

***Designed to help parents be  
the best parent they can be!***
